

Attached are the S-590 Candidates for the March 2006 course.

There are two lists included – one [alphabetically](#) and the second by [geographic area](#).

NAFRI sent each S-590 candidates an initial informational letter on December 29, 2004. Course prerequisites must be completed before the beginning of the course in early March of 2006. If there was a question on a particular individual's prerequisites, a letter asking for clarification was included.

Attached is the [S-590 Candidate Mentor Process letter](#) that was sent to the Geographic Area Coordinating Groups on July 13, 2004. If you have any questions, please call Cyndie Hogg, S-590 Course Coordinator at 520-799-8753 or email chogg@fs.fed.us.
